

£1,000 TRAINING GRANT FOR INDEPENDENT SCHOOLS

Supporting Leadership and Management training in independent schools across London

Executive Solutions (Training) Ltd has joined forces with a Train to Gain broker to help eligible independent schools in London access up to £1,000 as a training grant. Independent schools with 5 - 250 teaching and non-teaching staff can receive the first £500 as a grant for training to strengthen leadership and management skills. A further £500 as matched funding is available when training costs exceed £500. **This means each independent school can receive up to £1,500 worth of training from investing £500 in development of their senior staff –teaching and non-teaching.**

Schools can use their **£1,000 grant** for a wide range of training provided such training will strengthen management and leadership skills among senior staff with strategic responsibility. Training can be delivered as 1:1 coaching or mentoring or to groups meeting for two hours, half a day or a full day –so, it's ideal for Inset Days and longer term coaching.
